Faith and Worship Study Course

Tuesdays, starting 23rd February, from 10 to 11am, Upper Room
At Muffins we have decided to get serious! No, not too serious, but in order to tax our brains a little as well as to deepen our faith, we have decided to tackle, in very small chunks, some of the Faith and Worship course. This is the study course which Local Preachers in training must study, but is also of interest too to those who want to know more about the Bible and Christianity. If you are free, do come and join us, from 10 to 11am in the Upper Room, on Tuesdays. You may like to join us for a muffin or lunch afterwards. Speak to Monica for more details.
